SUMMARY

Full Stack Web Developer with a background in various fields and life-long dedication to learning. Effective at combining creativity and problem solving to develop user-friendly applications. Known among staff for strong work ethic and attention to detail no matter the complexity of the project.

TECHNICAL SKILLS

Technical Languages: JavaScript, HTML, CSS, Express, MySql, Postgres, Node JS, MongoDB, React.

PROJECTS

Dev-X-Connect

<https://github.com/MarlyV1/dev-x-connect1> | <https://dev-x-connect1.onrender.com/>

- A collaboration to build a social platform for coders to post questions, resources, or projects, and reply to peers.
- Set up the server along with the JavaScript fetch requests. Aided in some front-end work on the About Page as well.
- JavaScript, Node, Express, PostgreSQL, HTML, CSS.

Under-The-Weather

<https://github.com/Saydeezr/under-the-weather> | <https://saydeezr.github.io/under-the-weather/>

- A website designed to give users the current weather and a 5-day forecast of any city they search for. Their most recent searches will be displayed on page as a link to go to the weather forecast of that city..
- Created front-end website using HTML, CSS with the help of Bootstrap, and JavaScript where third-party APIs were used to gather weather data needed to display on page.
- HTML, CSS, JavaScript.

EXPERIENCE

Transport Dispatcher

Prestige Auto Carriers LLC

2019 - 2024

Orlando, FL

Scheduled multiple drivers locally and out-of-state from the hub located in Central Florida. Relaying shipment details and keeping thorough communication with current and potential customers. Coordinating the details and information of the driver's current and future routes.

Key Accomplishments:

- Responsible for overseeing the entire northbound transport operations. This involved coordinating logistics, managing schedules along with the coordination manager, and ensuring smooth and efficient transport processes.
- Managed the transportation logistics for a fleet of 11-14 trucks on a weekly basis.

Sales Associate

Kipling

2019

Orlando, FL

Retail Sales Associate with strong customer service and problem-solving skills. Proven ability to adapt to fast-paced environments, manage multiple tasks, and communicate effectively.

Key Accomplishments:

- Delivered exceptional customer service, addressing customer needs and resolving issues promptly to ensure a positive shopping experience.
- Utilized strong problem-solving abilities to handle customer complaints and provide effective solutions, enhancing customer satisfaction and loyalty.
- Managed multiple tasks simultaneously, including assisting customers, restocking shelves, and processing transactions, ensuring smooth store operations.

After School Program Educator & Tutor || Bookkeeper Assistant
Changing Lives Academy

2016 - 2018
Orlando, FL

Assist the bookkeeper in maintaining financial transactions of the school. Prepare and record day-to-day transactions in the books and ledgers, while verifying all the data.

Key Accomplishments:

- Received a promotion due to excellent service from previous role and upon request.
- Assisted school-aged children academically, supervised their conduct and wellbeing, and maintained open communication with parents. Prepared weekly activities, updated school database records, and reported consistently to management.

EDUCATION

Full Stack Web Development Certificate: University of Central Florida, Orlando, FL

An intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, JQuery, Bootstrap, Node.js, MySQL, PostgreSQL, MongoDB, Express, Handelbars.js, and ReactJS.

Associate's Degree: Valencia College, Orlando, FL
